NOTICE

The Delhi High Court Bar Association (DHCBA) and its members have been actively associated in various social causes and have always come forth to serve the cause of the society.

In this regard, in the year 2025, voluntary donations and relief material were raised in the wake of floods witnessed in Punjab and Himachal Pradesh. A village namely, Kamirpura in Punjab was adopted and debris which had accumulated on its agriculture lands were cleared, with its arability restored. Relief material in the form of blankets, medicines and other essential commodities was also sent to the District Commissioners of the affected areas of the Himachal Pradesh, by transport.

The DHCBA thanks all its members who contributed towards the social cause by voluntarily donating substantial amounts towards the fund collection. The money which remained unspent was however, kept aside by the DHCBA for further social causes.

In the meanwhile, the Hon'ble Chief Justice of the Delhi High Court, during the hearing of a Public Interest Litigation made an appeal to the DHCBA seeking its assistance towards the construction of a night shelter at AIIMS. This was in pursuance of an effort to ameliorate the conditions of the relatives/attendants of patients admitted who had no roof on their head while awaiting the treatment of their near and dear ones, for which an appeal was also made by the DHCBA.

As such, the Executive Committee of DHCBA has decided to contribute a sum of **Rs.25 Lakhs** towards the construction of the night shelter to be built by AIIMS New Delhi. It is reiterated that the amount so being given is collected completely from the voluntary donations given generously by the members of the Bar for social cause/s and no other fund of the bar is being utilized for this purpose.
